- Release of Children** Children must be signed out of camp. Either accompany your child to the sign-out desk or complete the appropriate section on the registration form that allows your child to sign him/herself in and out. Participants are released only to the persons noted on the registration form. If someone else is picking-up your child, please notify the program in writing or call your child(ren)'s group supervisor directly at designated phone number.
- Snack** Camp Jackson provides a small, nutritious snack in late morning and in the afternoon for each camper. Please be sure to inform the camp staff of any camper allergies to foods in person in the first day of camp as well as in the Child Information Form. Packing extra snacks is never a bad idea (we play hard!)
A nutritious lunch is camper/parent responsibility. Please remember we are often on field trips. We cannot microwave participant lunches. Please do not send your child with energy drinks, soda, or gum.
- Activities Calendar** An activity calendar will be available prior to the beginning of each month. This calendar should be used as a general guideline. Activities are subject to change due to weather and instructor availability. A daily message board will be located at the sign in table with that day's activities and any updates or changes we are aware of for the upcoming days.
- Transportation** Camp Jackson provides transportation for field trips during the summer. County passenger vehicles, fifteen passenger vans, twenty-five passenger mini bus, school buses, public transportation and transport vehicles provided by partnering agencies are used to transport children.
Seat belt use is required at all times in vehicles where they are provided. Private vehicles will not be used to transport children. If you desire to have your child in a booster seat or child restraint seat, please provide camp with a restraint seat that is labeled with your child's name. Camp Jackson does not provide booster or car seats.
